§ 52.1072 Conditional approval.

(a) The State of Maryland's July 11, 1995 submittal for an enhanced motor vehicle inspection and maintenance (I/M) program, and the March 27, 1996 amendment to the original SIP revision is conditionally approved based on certain contingencies. The following conditions listed in paragraphs (a)(1) through (a)(15) of this section must be addressed in a revised SIP submission. Along with the conditions listed in paragraphs (a)(1) through (a)(15) of this section is a separate detailed I/M checklist explaining what is required to fully remedy the deficiencies found in the proposed notice of conditional approval. This checklist is found in the Technical Support Document (TSD), located in the docket of this rule-making, that was prepared in support of the proposed conditional I/M rule-making action for Maryland. By no later than one year from September 29, 1997, Maryland must submit a revised

SIP that meets the following conditions for approvability:

(1) Fully adopt and submit to EPA as a SIP revision, final regulations and documentation of the public hearing process addressing Maryland's March 27, 1997 amendment to the SIP pertaining to proposed regulatory changes to the VEIP, as a result of the flexibility afforded to Maryland from federal and state legislative changes.

(2) Provide confirmation from the State Attorney General's Office clearly stating that Maryland's interpretation of the sunset date of the program is no earlier than November 15, 2005, or in the absence of such an opinion, submit to EPA new legislative authority allowing for such an extended sunset date of the program.

(3) Submit to EPA a modeling demonstration of the program using the appropriate assumptions and methodology (see TSD and the Response to Public Comments section of this rule for detailed discussions) demonstrating compliance with the I/M performance
